Introduction

Qodera is a modern software startup dedicated to creating user-focused digital solutions with a deep understanding of the user journey, Qodera design and develop systems that are intuitive, efficient, and built to grow representing a new generation that sees the world differently, more connected, more creative, and always moving forward.

Our Services

Every project we take on solves real business challenges through smart and scalable technology.

1

Mobile App Development

2

Web App Development

3

UI/UX Design

Technologies

To bring our solutions to life, we use technologies that are reliable, adaptable, and built for the future.

Our Clients

We've partnered with forward-thinking companies across different industries to deliver high-quality digital products. Each collaboration reflects our commitment to performance, reliability, and long-term value.

Projects

For detailed insights into our approach, methodologies, and planning, please find below the links to all relevant project documentation:

Stamina Project

STAMINA Sports & Fitness needed a scalable solution to manage their growing events and ticket sales. Qodera developed a custom ticketing system using WordPress and Tickera, enabling seamless event management and ticket operations across all their locations.

ULTIMATE TREASURE
123. TREASURY TRUNK BAG
Customized and personalised.
JATTB123
The Treasury Trunk Bag is an exquisitely handcrafted leather trunk in which one's ultimate treasure of wearable artefacts can be stored, while also serving as an outstanding handbag true to its nature as an art piece. The Treasury Trunk Bag is created in Cape Town by talented luxury leather craftsmen using the finest local South African materials. Both the inside and the outside are customisable and personalised to meet the client's preferences.
The Treasury Trunk Bag in the picture is made using ethically sourced black ostrich leather on the outside and light brown suede on the inside. It features protective corners, a chain handle, and a logo lock design. The interior includes two removable layers designed to hold the Clear Quartz Crystal Handcuff and its stand with an octagonal crystal base. The bottom has a compartment to store a polishing cloth.
MADE-TO-ORDER: Delivery 6 to 8 weeks.
After ordering you will be contacted about the preferences.
